

JVR
INDUSTRIES, INC.

VacSupplies
catalog

JVR Industries, Inc. has been specializing in vacuum packaging, since 1972. By focusing on what we do best, our company has thrived over the past 50 years! Though we continue to grow, we hold steadfast to the very foundation of this company. Those roots can be identified as quality service, premium products, and superb customer service.

Introducing our VacSupplies line of vacuum packaging consumables. We carry an extensive line of pouches and films for your vacuum packaging operation. High quality products, excellent service, at affordable prices.

VacPouch

chamber vacuum pouches

BENEFITS:

- Most economical vacuum packaging material
- Superior clarity and sealing properties
- Contain a minimum nylon content of 20%
- Extensive selection of stock sizes

COMPATIBILITY:

- Will work on all makes & models of chamber vacuum sealers including our VacSeries

Often referred to as chamber vacuum pouches, our VacPouch line will meet or exceed your quality standards.

OPTIONS:

Standard Duty: 3 or 4 mil

Heavy Duty: 5, 6 or 7 mil

**Don't Compromise
Quality for Price.**

*Zipper Pouches and Printed Safe Handling Pouches
also available! See next page for more information.*

SAFE HANDLING POUCHES:

Pouches with the safe handling instructions printed on the outside. Save time and money by skipping the label.

BENEFITS:

- Less material waste than label application
- Reduce internal cost

COMPATIBILITY:

- Will work on all makes & models of chamber vacuum sealers including our VacSeries

ZIPPER POUCHES:

We also stock resealable zipper pouches with vacuum sealing capability. Standard sizes available or made to order for your application.

BENEFITS:

- Tear notches for quick access after seal
- Hole punch for retail display
- Premium pouch composition

COMPATIBILITY:

- Will work on all makes & models of chamber vacuum sealers including our VacSeries

**We stock more
so you don't
have to!**

Call us for more information and/or questions!

BENEFITS:

- Superior sealing properties
 - High barrier composition
 - Very good puncture resistance
 - 50% or greater shrink rate
- Large selection of stock sizes
 - Formulated to work with hot wire cut off systems

COMPATIBILITY:

- Will work on all makes & models of chamber vacuum sealers including our VacSeries

We offer a large selection of high barrier shrink bags to fit a variety of applications. VacShrink bags will not only enhance the look of your product but they'll also provide maximum shelf life. As always we welcome you to contact us with any questions or to request free samples.

Enhance the look
of your vacuum
sealed product
with our
VacShrink bags

Now selling extreme duty shrink bags for the ultimate puncture resistant packaging solution. 

BENEFITS:

VacGuard

bone guard materials

BENEFITS:

- Available in continuous or perforated rolls
- Choose traditional wax coated or ultra clear
- Use with thinner pouches to save on packaging costs

COMPATIBILITY:

- Use with all forms of vacuum packaging when an extra layer of protection is needed.

Need extra pouch protection against bones or sharp edge that could potentially puncture your bag? Look no further than VacGuard! A thick material that can be used as extra protection to ensure the integrity of your vacuum sealed products.

ULTRA-CLEAR

SYNTHETIC

**Puncture
resistant material
to reinforce
your chamber
vacuum pouches.**
